They are undoubtedly the boat road riders in this community and they are riders in this community and they are sure to be in the front in Saturday's race. Of the other men, Henry Mahlie and Will Kunkle will be two of the second Wheeling team, which will be entered in the race as the Wheeling Island team. Kimmins was to have been the third member of the Island team, but he said last night that he would be unable to get into proper shape for the content. If the second team is not formed Mahlie and Kunkle will be in the race just the saine, but not as a team.

will be in the race just the same, our not as a feam.
Luble and Mahike will leave Wheeling for Pittsburgh this evening and will go over the route of the race from Pittsburgh to Cleveland on Thursday, and Friday. This will be of great benefit to the other Wheeling riders entered for the contest, as a strange road has lost the race to many a rider.

The Wheeling teams will make a strong bid for that \$250 trophy cup.

was slim, but again the Wheelings worked on the small margin successfully. Davis atole second and went to third on Mitchell's error. Pastorious fumbled Wagner's sharp grounder and the runner was safe. Bottl scored on Shield's corking single to left. Violet was hit by a pitched ball and footh men scored on Shaw's fine single.

In the fourth, Wheeling got another run, the last of the game for the Nailers. Wagner was hit and went to second when Shields got free transportation to the initial bag. Violet's nice sacrifice advanced both men, and on Shaw's fly to Rinchart, Wagner scored. Shields was cample napoing at third only a throw from Mitchell to Cargo.

Washington began to score after Wheeling had quit. In the fifth the visitors made two runs on Bates' single, Mitchell's sacrifice, Dinamork's single and another base hit by Martin, It looked as though they would score again but the next two batsmen. Pastorious and Currun, were easy outs. In the seventh Dinsnore scored on his base inh balls, a single by Martin and an error by Gallagher, who allowed Martin's hit to get through him.

Washington made matters decidedly interesting in the eighth Inning. Griffin got a base on balls, Cargo singled and Rinehart went to first on balls, filling the bases with no outs. Bates sont a sharp one to Wagner, who assisted to Davis in time to retire Griffin's the plate. Then there was some monkey business and Rinehart was thrown out at second, Campbell to Whaley, while Cargo came over the pan with the only run of the inning. Mitchell got a lift at first on Violet's error, but the side was retired on Dinsmore's high foul fly, which was taken by-Davis after, a hard run.

In the ninth Martin and Pastorious was a street on balls, but on the plate in the plate on balls after, a hard run.

In the ninth Martin and Pastorious got there, retiring the side.

NEW CASTLE TO-DAY.

forchers will Pitch Ills Pirst Game for Horchers will Pitch His Pirst Game for the Nallers To-day.

This afternoon the first of the series of three games with the strong New Castle team will be played at the Island grounds. There will be I large crowd, no doubt, as the Fennsylvanians are one of the strongest teams in the league. The Wheeling management announces that Borchers will pitch this afternoon. This will no doubt prove a good drawling card, as Horchers has been tipped as the best twiler in the Inter-state longue. Opposed to him will be either "Farmer" Brown or Hewitt, the Pittsburgh league team's farmed out twirfer. The game should be an exciting one.

He is well satisfied with the political outlook for this fall and is especially well pleased with the attitude of his party upon the two great questions at issue this year—the tariff, and finance. Later in the season he will go upon the stump and when he is imbued with a consciousness of right as he is now, he is a power in all eastern Ohio.

of ours with simply bring their reason and common-sense to be ar on the problem of curing their reason and common-sense to be ar on the problem of curing their sickness, we will soon be a nation most remarkable for health and longevity. The plain, undecorated facts about Dr. Pierce's Golden Medical Discovery are all that is necessary to convince fair-minded people of its transcendent merit. They are as follows:

All discases come from germs. The germs get into the blood, propagate and increase in the blood, which carries them all over the body. When they find a weak spot, they stick to the weak spot. It becomes a discased spot, and the disease is called by the name corresponding to its location in the body. The cause is the same for nearly all diseases. All impurities are germs, or breed germs. Impure blood means germ filled blood. Kill the germs, eliminate the impurities, enrich the blood, and it will force itself into the diseased spot and strengthen it, and give it power to throw off the germs that exist there. Dr. Pierce's Golden Medical Discovery is designed to do this—that is the theory. The facts are these—tens of thousands of people have used the "Discovery." It used to be sold with the understanding that it it didn't cure, it should be returned, and the money refunded. No-body ever asked for the money, and so that clause was dropped. Thousands of people have mitten voluntary letters for thanks to its discaverer. A few of these letters have been included in Dr. Pierce's great thousand page book, Common Sense Medical Adviser. It will be sent absolutely free on receipt of 21 one-cent stamps to pay for mailing only. Address, with stamps, World's Dispensary Medical Association, No. 665 Main Street. Bulleto, N. Y.
